¹ Chart outlines coverage for in-network services only. Out-of-network benefits are not provided for most federally-mandated preventive care benefits. State-mandated preventive services are offered both in- and out-of-network (see benefit booklet for details). For a complete list of covered preventive care services, please visit www.bcbsnc.com/preventive.

² Screening tests that involve additional services may result in higher out-of-pocket costs. For a complete list of covered preventive care services, please visit www.bcbsnc.com/preventive.
