State Health Plan Options
State Health Plan Options for Non-Medicare Members

The State Health Plan offers 2 Preferred Provider Organization (PPO) plans for Non-Medicare members:

- **80/20 PPO Plan**
  - Pays 80% for most in-network services.

- **70/30 PPO Plan**
  - Pays 70% for most in-network services.
The Plan utilizes a third-party administrator or TPA that is responsible for the provider network and processing your medical claims. Our current TPA is Blue Cross and Blue Shield of NC. But your medical claims are paid by the state, not Blue Cross.

The Plan also utilizes a pharmacy benefit manager or PBM that is responsible for providing a pharmacy network and processing your pharmacy claims. Our current PBM is CVS Caremark. But your pharmacy claims are paid by the state, not CVS.

State Health Plan Options for Medicare Primary Members

UnitedHealthcare is a Medicare Advantage Organization who contracts with the Centers for Medicare and Medicaid Services (CMS) to administer Medicare benefits on their behalf.

The Plan contracts with UnitedHealthcare to provide Group Medicare Advantage plan options to our Medicare Primary members which includes payment of claims.
Understanding Medicare
Original Medicare vs. Medicare Advantage Plans

Step 1
Enroll in Original Medicare when eligible.

**ORIGINAL MEDICARE**

- **PART A**
  - Covers hospital stays
  - Government-provided

- **PART B**
  - Covers doctor and outpatient visits

Step 2
If more coverage is needed, there are additional options.

Option 1
Keep Original Medicare and add:

**MEDICARE SUPPLEMENT INSURANCE**

- Covers some or all of the costs not covered by Parts A & B
- Offered by private companies

and/or

**MEDICARE PART D**

- Covers prescription drugs
- Offered by private companies

Option 2

**MEDICARE ADVANTAGE (PART C)**

- Combines Parts A & B
- Additional benefits
- Most plans cover prescription drugs

Offered by private companies
Medicare Parts A and B

- Medicare Part A and Part B must be in effect to be enrolled into a Medicare Advantage Plan.
  - Part A is typically premium free.
  - Part B has a monthly premium. The 2018 standard Part B premium is $134 per month for new Medicare Part B enrollees but depending on income, may be as high as $428.60 per month.

- If retiree has the 70/30 Plan and they do not elect Part B, SHP will process as if they have it and they will incur greater out-of-pocket costs.

- It is important to enroll in Medicare (Parts A and B) during the 3 months BEFORE their 65th birthday month. This will allow Medicare to then become effective the first day of their birthday month.
Income-Related Monthly Adjustment Amount (IRMAA)

- Members with higher income levels are required to pay an adjusted Medicare Part B premium plus an additional amount when enrolled in Medicare Part D prescription drug coverage. The additional amount is called Income-Related Monthly Adjustment Amount or IRMAA.

- Income level based on modified adjusted gross income, which is the total of your adjusted gross income and tax-exempt interest income.

- IRMAA is mandated by Federal law and each amount is deducted from your monthly Social Security payments (or direct billed if delayed Social Security).

- IRMAA will apply if individual income is over $85,000 or if married (filing joint tax return) income is over $170,000.

- When enrolled in an UnitedHealthcare Group Medicare Advantage plan, higher income members may be subject to Part D IRMAA in addition to their already higher Medicare Part B premium.

**IRMAA amounts for 2018 Medicare Part D may range from $13.00 to $74.80 per month. IRMAA determination is based on IRS tax return from 2 years ago (2016)**
Retirees - Enrolling in Medicare

• If you elected to start receiving Social Security benefits prior to turning 65, you will be automatically enrolled in Medicare. You should receive your Medicare card approximately 60 – 120 days before you turn 65.

  • If Medicare card not received by 60 days before your 65th birthday month, contact Social Security Administration.

• If you are not receiving Social Security benefits, YOU WILL NEED TO TAKE ACTION TO ENROLL IN MEDICARE.

  • May enroll by going to any local Social Security office.
  • May enroll by calling the Social Security toll-free number
    • 1-800-772-1213 (7 a.m. to 7 p.m.)
  • May enroll online through the Social Security website
    • www.socialsecurity.gov
If you worked beyond 65 and delayed electing Medicare Part B, you will have to take action to enroll into Medicare Part B for retirement.

- You and the employer providing Employer Group Health coverage will need to complete a Social Security form verifying employment and health coverage.
  - CMS40B-E – Application for Enrollment in Medicare Part B (Medical Insurance)
  - CMS-L564E – Request for Employment Information
- Mail or hand-carry completed forms to a local Social Security field office.
- Remember: Medicare Part B needs to become effective as of your retirement effective date.

Required forms may be found on the Social Security website or by calling Social Security.

Depending on your situation at the time of retirement, you will need to take this into consideration regarding your State Health Plan coverage.
The first month of retirement the retiree remains covered under their active agency. *

The **State Health Plan benefit effective date** is the first of the month following their retirement effective date.

For example: If the retirement date is January 1, then SHP benefit effective date is February 1.

* If Medicare eligible upon retirement date, Medicare will be primary the first month of retirement. **Important to have Medicare Part A and Medicare Part B in effect as of retirement date.**

- The State Health Plan will be primary coverage and Medicare will be secondary as long as still actively working for the State.

Enrollment Guidelines - Families

• Medicare Primary family members stay together.
• If spouse/dependents are not Medicare eligible:
  • They have the same options available to active employees/non-Medicare members. Their options are:
    • 80/20 PPO Plan
    • 70/30 PPO Plan
  • This is considered to be a “split family” situation where one or more members of the family unit are Medicare eligible while others are not and have different coverage options.
Auto-Enrollment for Medicare Primary Members

- Retirees aging into Medicare are automatically enrolled into UnitedHealthcare’s Group Medicare Advantage **Base** Plan.

- If retiree wishes to select a different plan option other than the one to which assigned, he or she will need to call the Eligibility and Enrollment Support Center at 855-859-0966 or enroll through the eEnroll system.

- May opt out of the State Health Plan. Retiree can re-enroll during the next Open Enrollment period if they change their mind.

Medicare primary effective date is first of the month you turn 65 **UNLESS** your 65th birthday is on the first of a month then Medicare primary effective date is first of the month preceding the 65th birthday month.
Medicare Advantage & 70/30 PPO
What are Medicare Advantage Plans?

- A Medicare Advantage Plan, like the UHC Medicare Advantage plans offered by the State Health Plan, are considered a **Group Medicare Advantage Prescription Drug Plan (MAPDP)**. They are:
  
  - A Medicare health plan choice, which may be an individual or group product.
     
     - Private companies, like UHC, contract with Medicare to provide your Medicare Part A and Medicare Part B benefits. Most include Medicare Prescription Drug Coverage, Part D.

- **With a Medicare Advantage Plan:**
  
  - You are still considered to be in the Medicare program.
  
  - You keep same rights and protections as Original Medicare.
  
  - They must cover all services Original Medicare covers.
  
  - Members must have both Medicare Part A and Medicare Part B and continue to pay Medicare premiums to be eligible for Medicare Advantage Plans.
What are Medicare Advantage Plans?

- Group Medicare Advantage Plans, like the UHC Medicare Advantage plans, are different than Individual Medicare Advantage Plans, which you can purchase yourself.
  - The UHC Medicare Advantage plans are customized for the State Health Plan.
- The UHC Medicare Advantage plans are considered National Preferred Provider Organization (PPO) plans. They offer:
  - Access to providers nationwide.
  - Access to additional benefits at a lower cost and include an open network.
  - **Copays or coinsurance remain the same**, regardless of who you see in- or out-of-network.
  - Out-of-network providers must participate with Medicare and agree to accept and file claims on member’s behalf.
Medicare Advantage Plan Perks

• The UHC Medicare Advantage Plans provide one ID card for medical services and prescription drugs.
  • **Remember**: You are still considered to be in the Medicare program.
  • You use your UnitedHealthcare ID card – **not** your red, white and blue Medicare card

• The UHC Medicare Advantage Plans also provide extra services not covered under Original Medicare.
  • Wellness programs/SilverSneakers®
  • Disease and Case Management
  • Nurse help line
  • Routine eye exams
  • Routine hearing exams
  • Hearing aids
  • Routine foot care
UHC Medicare Advantage Plans & Other Insurance

• With the UHC Medicare Advantage Plans there is no need for additional coverage.
  • Additional Medicare product coverage can cause you to be disenrolled from your State Health Plan UHC Medicare Advantage Plan.
  • If enrolled in a MAPDP, you cannot purchase a Medicare Supplement or Medigap plan without you terminating your MAPDP.
  • If already enrolled in another Medicare Advantage or Part D prescription drug plan, your coverage with those plans will terminate unless you elect not to enroll in one of the UHC Medicare Advantage Plans.
UHC Medicare Advantage Plans & Other Insurance

- TRICARE® for Life (TFL) (TRICARE® + Medicare)
  - TFL beneficiaries can enroll in Medicare Advantage plans and TFL will typically reimburse your copayments for services covered by TFL.
  - You cannot use Medicare or Medicare Advantage in a Military Treatment Facility, like a VA Hospital.
- Other Insurance
  - If covered by a Federal Employee Health Benefit Plan or another former employer’s retiree group health plan, it is important to check with them to ensure enrollment into one of these Medicare Advantage plans will not disrupt coverage with them.
  - Individual cancer, hospital indemnity, dental, vision, long-term care insurance products will not have an effect on eligibility or coverage under a Medicare Advantage plan.
70/30 PPO Plan

- Members still have option to choose the 70/30 PPO Plan
  - Administered by Blue Cross & Blue Shield of North Carolina (Blue Cross NC)
  - Supported by the Blue Cross NC Blue Options network of providers
  - Includes Traditional prescription drug coverage
    - It is not Medicare Part D prescription drug coverage but is considered to be creditable drug coverage
  - Original Medicare is Primary, State Health Plan coverage is secondary
    - Member would use 2 ID cards when seeking medical services
      - The red, white, blue Medicare card and Blue Cross NC 70/30
    - Copayments, coinsurance and deductible requirements under the 70/30 have to be met
    - Medical copayments do not apply to the deductible or coinsurance maximum out-of-pocket

Important Information
Disability

- If member becomes eligible for Medicare due to disability, it is very important for them to enroll in both Medicare Part A and Medicare Part B.
- Do not overlook accepting Medicare Part B. Many people fail to accept the offer to retroactively purchase Medicare Part B.
  - Read the AWARD Notice carefully.
- State Health Plan becomes SECONDARY to Medicare as of the Medicare eligibility date.
  - Claims will be reprocessed back to Medicare eligibility date.
  - The State Health Plan will reduce their claims by the amount that would have been paid under Medicare, paying the remaining claim amount under the terms of the health benefit plan.
- As a result, if Medicare Part B is not taken, member will be responsible for the amount that would have been paid by Medicare Part B.
Re-Employment and State Health Plan

- To comply with the Affordable Care Act, legislation was passed addressing non-permanent full-time employees.
  - A “newly eligible” category was created.
- Employing units are responsible for determining eligibility for the new category and includes non-permanent employees working at least 30 hours per week.
  - If re-employed retiree qualifies for the new category, employing units are required to cover as active employees.
    - May offer only the High Deductible Health Plan (HDHP); OR,
    - May offer coverage under Active Employee options (70/30 PPO or 80/20 PPO)
    - Re-employed retiree not required to enroll.
- Re-employed retiree will be terminated from Retiree Group Coverage under State Retirement Systems Division (SRS).
- Qualifying Life Event when state re-employment ceases
  - 30 days to enroll in State Health Plan under SRS.
  - If enrollment occurs before the effective date, would be able to enroll in a MAPDP.
Important Address Information

- P.O. Box Addresses: If you currently only have a P.O. Box address on record with the State Health Plan you will need to provide a physical address as well.
  - UnitedHealthcare is unable to process an enrollment with only a P.O. Box number on file.
  - Systems are able to store multiple addresses. We can retain the P.O. Box number for mailing purposes and will store the physical address separately.
- Please update through ORBIT or by calling the Eligibility and Enrollment Support Center at 855-859-0966.
Thank You!
