IMPORTANT NOTICE TO eENROLL AGENCIES - VENDOR UPDATE

The State Health Plan would like to make you aware of our intent to change our Eligibility and Enrollment Services (EES) vendor in 2015. The Plan is committed to providing best in class services and reached this decision in that spirit. A new vendor is in the best interest of our members and employing units.

Therefore, in early 2015, we will begin the transition to Aon-Hewitt. We are dedicated to keeping you informed during this process and providing as much assistance as possible throughout the transition.

To ensure that we have the appropriate staff members engaged throughout this process, eEnroll agencies will receive letters regarding this vendor change next week. The letter will offer more details and an estimated timeline. The letter also requests information regarding the appropriate agency contacts for the EES transition. This information should be sent back to the State Health Plan by the end of June.
